

## EVENT SCULPTORS

### COMPANY OVERVIEW

Event Sculptors is a premier event planning and production company specializing in curating unforgettable experiences. With over 15 years of experience and in-house production units at various locations across PAN India. We have mastered the art of delivering timely services that exceed clients' expectations, managing the ornate details, and delivering exceptional results time and time again. We bring ideas to life with creativity, precision, and flair—whether it's high-end corporate award galas, product launches, conferences and seminars, team-building events, employee engagement programs, themed celebrations, and exhibitions – we have all solutions under one roof.
